

Enriching the Performing Arts

Inservice Points 30

Component No. 1-000-003

General Objective:

To provide faculty with knowledge and skills necessary to act as a leader in the performing arts (i.e. drama and dance), so as to better serve the students in their performing arts endeavors.

Specific Objectives:

- To grow with the Arts and stay current with trends in the dance industry, musical theatre, plays, music, and other art forms.
- Implement new learnings into the curriculum.
- Support the needs of our students in a performance atmosphere.
- Identify differences between professional and school productions.

Activities:

- Attend live and virtual workshops and conferences.
- Visit other school performances and attend related entertainment venues.
- Work with vertical teams in small groups to develop and enrich the curriculum.
- Cross curricular ideas such as STEM.

Evaluation:

- Incorporate ideas into the performing arts program.
- Complete FCIS Professional Development activity form.
- Survey participants/contributors, if applicable.
- Complete FCIS short survey.
