

World War II Specialty

60 Inservice Points

Component No.: 1-016-006

General Objectives:

1. To develop a knowledge base about WW II as it relates to the Holocaust.
2. To develop materials that will lead to the integration of this topic in the social studies curriculum.

Specific Objectives:

1. To evaluate the lessons of World War II that apply to today.
2. Use lessons from WWII to teach empathy to students.
3. Create lessons which allow students to use knowledge from other subjects.

Activities to include:

1. Read books on the WWII Era.
2. View Webinars on the history of Anti-semitism, WWII and the Holocaust, etc.
3. Collect data from interviews of witnesses and survivors.
4. Attend historical lectures and exhibits.
5. Visit artifacts from the era.
6. Attend training on curriculum integration.

Evaluation:

1. Complete Independent Activity form to weigh the success of the in-service program.
2. One-on-one meeting with direct supervisor, department chair etc.
3. Have supervisor/peer teacher observe new lesson(s) created.
