

SWD + Reading Challenges 2: Structured Literacy

Inservice Points 20 Component No. 2 100 012

General Objective

Apply knowledge learned in Reading Challenges 1 in your own classrooms. Use relevant assessment data to design and implement explicit, systematic and sequential reading instruction including multisensory intervention strategies that are based on student needs in each of the reading components. **This course addresses Florida's professional learning requirements from HB 7069 (reading instruction) and SB 1108 (Students with Disabilities (SWD)).**

Learning Objectives

Documentation Methods

Participants must document their learning by completing the following summative(s).

- 1 Multiple Choice Exam(s) - Learner demonstrates knowledge of content by selecting the correct answer from the choices provided.
- 3 Reflection(s) - Learner synthesizes previous knowledge and course content in order to develop a narrative response.

Evaluation

1. The summative(s) must meet 80% of the established criteria.
