

Drugs/Alcohol Abuse

20 Inservice Points

Component No.6 403 002

General Objectives

1. To assist school personnel in implementing a substance abuse program into the existing curriculum.
2. To provide substance abuse information, detection, and prevention.

Specific Objectives

1. To learn to identify substance abuse.
2. To be able to detect attitude changes among alcohol abusers and drug users.
3. To recognize physical symptoms of drug and alcohol abuse.
4. To familiarize school personnel with drugs and alcohol commonly abused in the schools.
5. To acquaint school personnel with how to deal with addicted students.
6. To advise school personnel how to refer addicted students to proper rehabilitation clinics.
7. To discuss the availability of drugs and alcohol in school.
8. To explain prevention strategies.

Activities

1. Qualified consultants will provide oral and written material in appropriately organized workshops.
2. A test will be administered by the consultants upon completion of the workshops. All participants must achieve mastery of 80% of specific objectives.

Evaluation

1. Pre and post test or other written assessment.
2. Observed demonstration in workshop.
3. Participants will complete a workshop evaluation form.
